The library's 2022 Annual Report has been completed and is being reviewed by the library Board of Trustees and CCLS. The 2021 Annual Report to the Community has been posted on the library's website in compliance with NYS Minimum Public Library Standards. Note that each year, these standards are upgraded to include more requirements.

The library has been issued Permit Number 3458 for our new automatic alarm system.

The Capacity Lab is offering a series of workshops on best practices for nonprofit Boards, in partnership with the New York Council of Nonprofits (NYCON). These will count towards the two hours of trustee education required for all library trustees. All webinars are an hour and a half and are held from 4-5:30 on Wednesdays.

BUILDING, GROUNDS AND MAINTENANCE

Tenants of the building across the street have begun to leave their vehicles in the library parking lot overnight. When possible, they have been instructed that this is not appropriate, but we may need a policy about overnight parking and a sign to alert people that vehicles will be towed at the owner's expense if they are left in the parking lot after library operating hours.

The letter "A" in "Sinclairville" in front of the library building needs to be straightened and attached better so it stays on and straight.

Trustee Bill Newton repaired the toilet that was running too much water.

CORRESPONDENCE

The library received a Statement of Activity from the Northern Chautauqua Community Foundation for the Sinclairville Free Library Endowment Fund for the period January 1 through December 31, 2022. The balance in the fund as of 12/31/2022 was \$36,188.00. The amount available to spend is \$13,669.67.

DONATIONS

George Clever, a member of the library's Write Circle, donated a copy of his new release, <u>Bad Art Murders</u>, for the library's collection.

Amazon has discontinued the Amazon Smile charitable initiative.

OverDrive has donated a collection of over 200 free, simultaneous access adult fiction and nonfiction digital titles, ebooks and audiobooks, to be added to the CCLS collection that is shared by all member libraries. This is part of OverDrive's Everyone Reads program designed to help meet the increased demand for digital content.

FUNDING

Funding in the amount of \$6,000.00 was received from the Town of Gerry, which is the same amount received in 2022. **1**

An "Articles of Agreement" was signed with the Town of Charlotte agreeing to pay the library \$12,000.00 for library services for the period January 1 through December 31, 2023. This represents an increase of \$500.00 from last year. 1

FUNDRAISING

Tina Sherman does the following programs that may be considered for presenting at a Tea Fundraiser: Mary Jemison (she dresses like her and tells her story), Joseph Elliott and the Holland Land Company (she portrays his sister and tells his story) and is developing a new program that will be available after its debut at the Leon Historical Society June 11th, The Love Letters of a Union Soldier (more details will be forthcoming).

GRANTS 1

Changes to Open Meetings Laws: A Summary for Libraries

A new bill was introduced that amended Open Meetings Law to make permanent (until July 1, 2024) the expanded use of videoconferencing by public bodies to conduct open meetings, <u>under extraordinary circumstances</u>, regardless of a declaration of emergency.

The Board is allowed to have members meet remotely, regardless of extraordinary circumstances, if the location(s) is open to in-person public attendance as it was prior to the pandemic. This does require that the address of the meeting location be published so the public would have access to that location.

Each board must decide if they will permit members to participate remotely at a location that does not allow for in-person physical attendance of the public, *under extraordinary circumstances*. The law does not require that boards permit this.

If a board decides to allow members to participate remotely at a location that does not allow for in-person physical attendance of the public *under extraordinary circumstances*, they must:

- Pass a resolution authorizing such remote attendance, and must establish written procedures (template provided) that set forth what they determine to be "extraordinary circumstances."
 - The Law includes a non-exhaustive list of examples of such circumstances, "including disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting."
- Must provide the public the opportunity to view remotely as well as at the physical location. Members of
 the public meeting via videoconferencing have the right to speak during a public comment period or other
 authorized time.
- Teleconferencing is not an allowable form of remote participation for a board member. The law requires that the board members be heard, seen, and identified throughout the meeting.

Important requirements for meetings that allow members to participate remotely.

- Only members attending the meeting at a physical location that is open to the public will count toward a
 quorum.
- Members in locations not accessible to the public may participate and vote, but will not count toward the quorum.
- Meeting minutes must detail which members, if any, participated remotely.
- Boards are <u>required</u> to record all meetings if videoconferencing is used. The recordings to be posted or
 linked on the library website within five business days of the meeting where they must remain there for
 five years. Transcripts must be provided upon request. Recording and transcription are not required
 during executive session.

The Law states that the "in person" participation requirements of the Law shall not apply during a state disaster emergency declared by the governor pursuant to section twenty-eight of the executive law, or a local state of emergency proclaimed by the chief executive of a county, city, village or town pursuant to section twenty-four of the executive law, if the public body determines that the circumstances necessitating the emergency declaration would affect or impair the ability of the public body to hold an in person meeting.

Insert Library Name Procedures for Board Member Videoconferencing Pursuant to Public Officers Law § 103-a

In compliance with Public Officers Law (POL) § 103-a(2)(a), the Insert Library Name, following a public hearing, authorized by resolution on [insert date] the use of videoconferencing as described in POL § 103-a.

The following procedures are hereby established to satisfy the requirement of POL § 103-a(2)(b) that any public body which in its discretion wishes to permit its members to participate in meetings by videoconferencing from private locations – under extraordinary circumstances – must establish written procedures governing member and public attendance.

- 1. Insert Library Name members shall be physically present at any meeting of the Insert Library Name unless such member is unable to be physically present at one of the designated public meeting locations due to extraordinary circumstances.
- 2.For purposes of these procedures, the term "extraordinary circumstances" includes disability, illness, caregiving responsibilities, or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting.
- 3.If a member is unable to be physically present at one of the designated public meeting locations and wishes to participate by videoconferencing from a private location due to extraordinary circumstances, the member must notify [REPRESENTATIVE OR CHAIR OF PUBLIC BODY] no later than four business days prior to the scheduled meeting in order for proper notice to the public to be given. If extraordinary circumstances present themselves on an emergent basis within four days of a meeting, the Insert Library Name shall update its notice as soon as practicable to include that information. If it is not practicable for the [PUBLIC BODY] to update its notice, the Insert Library Name may reschedule its meeting.
- 4.If there is a quorum of members participating at a physical location(s) open to the public, the Insert Library Name may properly convene a meeting. A member who is participating from a remote location that is not open to in-person physical attendance by the public *shall not* count toward a quorum of the Insert Library Name but may participate and vote if there is a quorum of members at a physical location(s) open to the public.
- 5.Except in the case of executive sessions conducted pursuant to POL § 105, the Insert Library Name shall ensure that its members can be heard, seen, and identified while the meeting is being conducted, including but not limited to any motions, proposals, resolutions, and any other matter formally discussed or voted upon. This shall include the use of first and last name placards physically placed in front of the members or, for members participating by videoconferencing from private locations due to extraordinary circumstances, such members must ensure that their full first and last name appears on their videoconferencing screen.
- 6.The minutes of the meetings involving videoconferencing based on extraordinary circumstances pursuant to POL § 103-a shall include which, if any, members participated by videoconferencing from a private location due to such extraordinary circumstances.

Insert Library Name Procedures for Board Member Videoconferencing Pursuant to Public Officers Law § 103-a

- 7. The public notice for the meeting shall inform the public: (i) that extraordinary circumstances videoconferencing will (or may) be used, (ii) where the public can view and/or participate in such meeting, (iii) where required documents and records will be posted or available, and (iv) the physical location(s) for the meeting where the public can attend.
- 8. The Insert Library Name shall provide that each open portion of any meeting conducted using extraordinary circumstances videoconferencing shall be recorded and such recordings posted or linked on the Insert Library Name website within five business days following the meeting, and shall remain so available for a minimum of five years thereafter. Such recordings shall be transcribed upon request.
- 9. If members of the Insert Library Name are authorized to participate by videoconferencing from a private location due to extraordinary circumstances, the Insert Library Name shall provide the opportunity for members of the public to view such meeting by video, and to participate in proceedings by videoconference in real time where public comment or participation is authorized. The Insert Library Name shall ensure that where extraordinary circumstances videoconferencing is used, it authorizes the same public participation or testimony as in person participation or testimony.
- 10. Open meetings of the Insert Library Name conducted using extraordinary circumstances videoconferencing pursuant to the provisions of POL § 103-a shall utilize technology to permit access by members of the public with disabilities consistent with the 1990 Americans with Disabilities Act (ADA), as amended, and corresponding guidelines. For the purposes of this guideline, "disability" shall have the meaning defined in Executive Law § 292.
- 11. The in-person participation requirements of POL § 103-a(2)(c) shall not apply during a [state disaster emergency declared by the governor pursuant to Executive Law § 28 or a local state of emergency proclaimed by the chief executive of a county, city, village or town pursuant to § 24 of the Executive Law] if the Insert Library Name determines that the circumstances necessitating the emergency declaration would affect or impair the ability of the Insert Library Name to hold an in-person meeting.
- 12. These procedures shall be conspicuously posted on the Insert Library Name website.
